

End of Year Expectations

Year 5

This booklet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child please talk to your child's teacher.

We endeavour to achieve our highest possible standards in all that we do.

Reading and Vocabulary:

- Use context and knowledge of root words, prefixes and suffixes to understand the meaning of new words.
- Read a wide range of fiction, including older literature, modern authors and books from other cultures.
- Read a range of poetry and comment on the features of poetry including stanzas and rhyme scheme.
- Explain how and why a writer has used language to add information to a sentence.
- Read a range of non-fiction texts and comment on structure and features such as headings and subheadings.
- Compare between two texts.
- Summarise the main points of an argument or discussion within reading and form own opinion.
- Appreciate that people use bias in persuasive writing and recognise fact from opinion.
- Draw inferences and justify with evidence from the text.
- Back up views with evidence from the text using words or phrases in quotation marks.
- Recognise clauses and phrases within sentences.
- Create a set of notes to summarise what has been read.
