Please enter via the green gate

Refreshments will be served from 8:50

Eco Club

Eco-club have been very busy this week in their enrichment club. They have been preparing, and finalising our Belvedere Bug House. They collected sticks, pebbles, bamboo, leaves and pine cones to stuff our bug house. I am sure the insects and bees will make themselves at home!

Year 1 Butterflies

Year 1 have been looking after some butterflies over the past few weeks. The children kept a close eye on their habitat in the classroom as five caterpillars gradually emerged from their chrysalis and hatched into butterflies. The children fed them with some pollen-producing plants and fruit, and then set them free.
