June 6th

To whom it may concern

Hope dying;
Letters home falling
Into the sea of war like
Soldiers made of paper
Running through a mist
Of sadness and tears.
Above the battlefield
The clouds are joined
By an orchestra of bullets
Raining down in torrents.

Boot-prints in the mud;
The last marks left on the world
By doomed soldiers.
Caught in a web of fear.
The smell of smoke hanging
Like a sorrowful memory
That everyone wants to forget.

Letters opened;
Eyes opened
To the horrors of war.

Year 1

Will be visiting the

Museum of Liverpool

Tuesday 25th June 2024

The children will take part in two workshops:

Liverpool's Best Buildings: This art and design workshop explores Liverpool through its most recognisable buildings, encouraging a sense of place and belonging. Inspired by Ben Johnson's 'The Liverpool Cityscape' and the buildings of Liverpool, create a collage to take back to school.

Little Liverpool: where children can explore a mini model of the buildings in Liverpool, including its waterways such as docks and canal.

The trip will also include some time for a **self-guided visit** around the museum, where children will be able to explore and learn about Liverpool and its history.
