HARVEST FESTIVAL

This year we are holding a traditional harvest festival assembly. This provides our children with the chance to consider the needy, who don't always benefit from the bountiful summer harvest. That's why we also encourage children to bring whatever food they can to be given to a local charity as celebrating harvest festival is also a time for thinking of others.

Please ensure that all items are clearly named.

WATER SAFETY WEEK

Year 5 and 6 children took part in a Water Safety Week in their swimming lesson this week. They learnt how to stay safe in and around water, including how to rescue a casualty from the water safely.

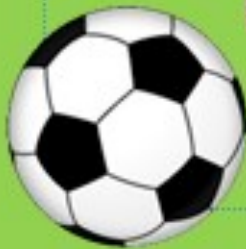

They can now recognise a number of flags that may be near water and what they mean.

The children had lots of fun in this session and even got to wear their own clothes or pyjamas in the water!

FOOTBALL FUN

We have been lucky enough to receive a number of Premier League footballs and Nike bibs for our children to use in their PE lessons and clubs. These have been sent from a company called Monster Kickabout who support schools with sport and PE, and they have been gratefully received. The children have very much enjoyed playing with them this week. We have had plenty of Messi, Ronaldo and Mbappé celebrations this week on the pitch!

Join us on 16th December at 3.40pm for our Santa Dash'n Dawdle around Princes Park—followed by refreshments and festive fun back at school.

PARKING

Considerate parking outside school reduces congestion. Please park and drive considerately, and with due regard for the safety of other drivers and pedestrians.

There are double yellow lines identifying areas where you should not park. Some cars are parking on the double yellow lines. These cars are making it difficult for families to cross the road safely, whilst also causing congestion for other road users.

We have also received a number of complaints from our local residents.

In order to support the safety of our families, we politely ask that you do not park on the double yellow lines and are considerate of local residents.

We appreciate your support with this matter.
