GRANDPARENTS' AFTERNOON

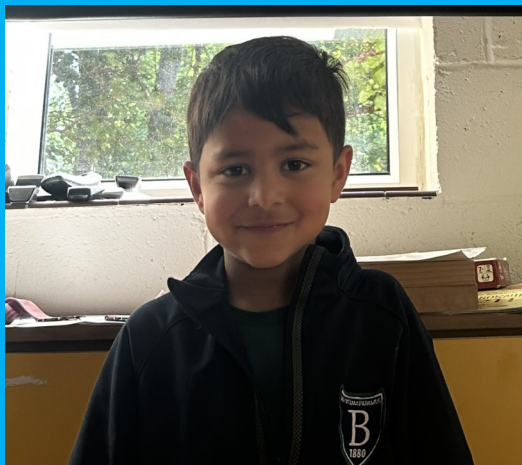

We are excited to announce our special **Grandparents' Afternoon**.
This is a cherished event where we celebrate the wonderful grandparents and special people in your child's life.

Join us on Friday 6th June 2025 at 2pm for a warm and welcoming afternoon filled with:

- Delicious **refreshments**
- Smiles and singing
- A chance to create **special memories** together

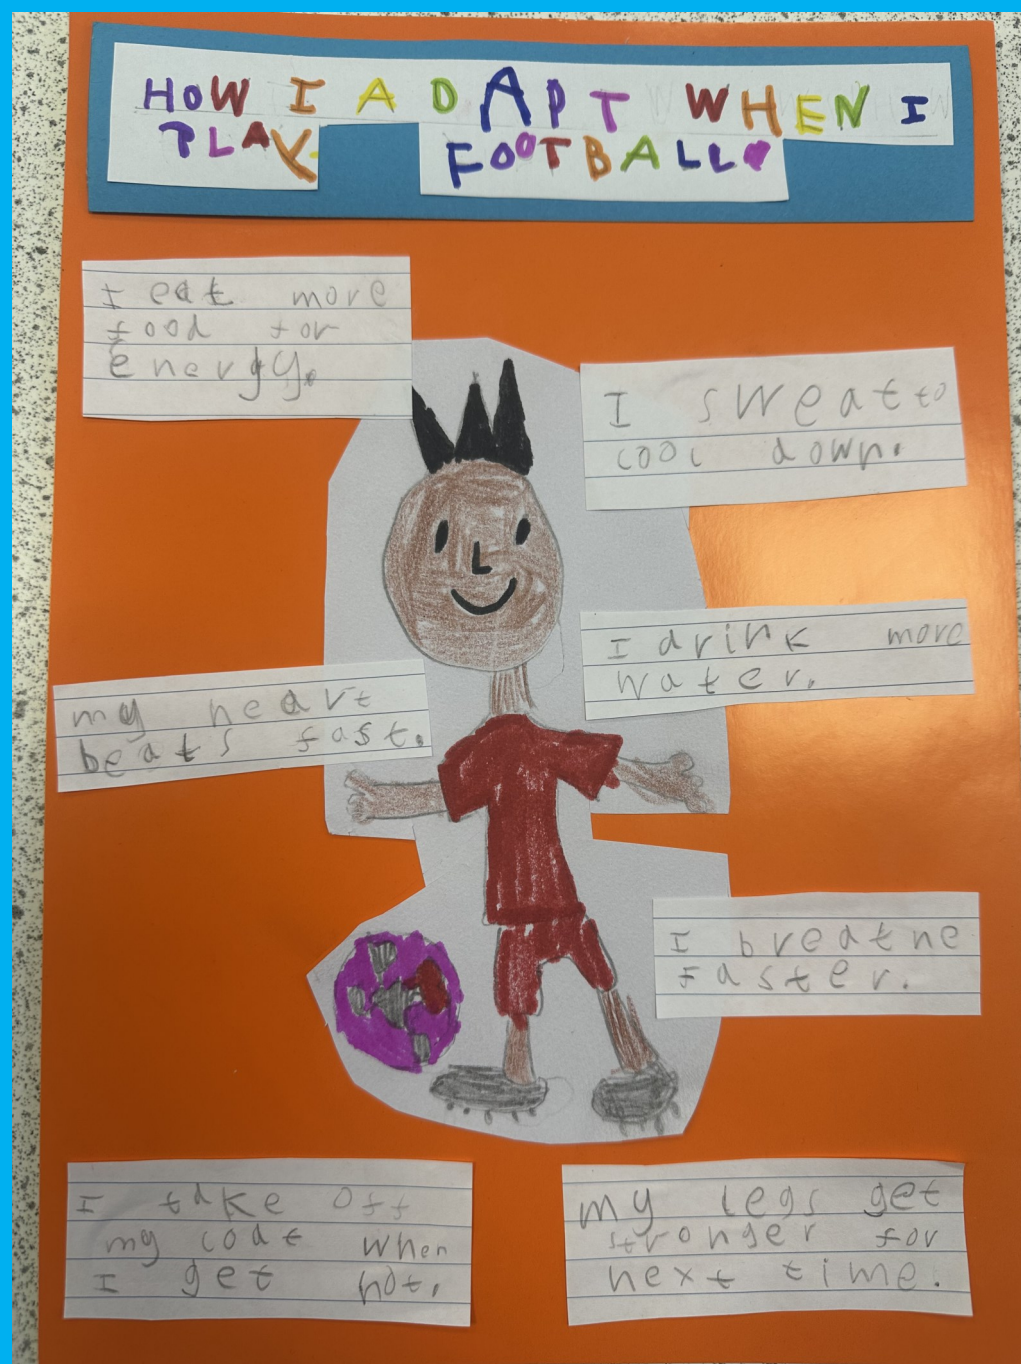

We welcome **grandparents' or any important adults** in your child's life to come along and share this joyful time with us.

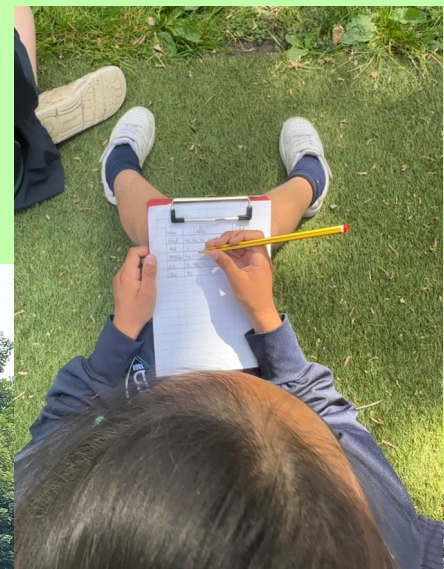

Out of over 3500 entries to this years British Science Week poster competition, Sachin **WON** the Early Years Category.
Well done, Sachin!

CONGRATULATIONS

YEAR 4 MATHS

Year 4 have spent this week learning about different types of charts and graphs. Yesterday, they went outside to collect their own data. They drew tally charts and completed a survey on the colour of cars on Ullet Road. Today, they will use their data to draw a both a bar chart and pictogram.

YEAR 1 SCIENCE

This half term Year 1 have been learning all about the changes from Spring to Summer. In our last lesson on this topic they focused on shadows. They got to make their own shadow puppets and had a go at using their hands to make shadow animals around the classroom.
