SCHOOL COUNCIL

School Council interview with Abi, Manager of South Liverpool Food Bank

1. How many people work at the food bank?

There are 5 members of staff and about 160 volunteers. May of the volunteers are retired.

2. What is your role at the food bank?

I am the manager. I started as a volunteer and then became a member of staff. All of the staff members started as volunteers.

3. How much food is there at the food bank?

There is about 12 tons of food stored in the warehouse. That's about the same weight as four fully grown elephants!

4. How many people does the food bank feed?

Last year, the food bank fed 6,800 people and we estimate it will be the same this year, due to high food prices.

5. How many people donate to the food bank?

We are so lucky to have great community support. We have about 150 regular donors, who give weekly food and money donations. We also collect food in local supermarkets.

6. Where will the food we collected at school go?

We would like to say a massive thank you to all children and parents who donated food to us. We really appreciate it and it will be put to very good use. The food will be taken to our warehouse and put into different categories. Then, food banks will contact us and let us know what they need and we will provide it. We have eight centres across the local area and the food will be distributed among them.
