BIKEABILITY YEAR 5

Please check groupings through Parentapp

IMPORTANT INFORMATION

What does my child need to take part in Bikeability?

In terms of equipment, your child will need a bike which is in a roadworthy condition, the right size for them, have pumped up tyres and two working brakes. Instructors will show children how to check their bikes at the start of the first session and will ensure that your child's bike is safe for training purposes. BMX bikes are permitted in most circumstances so long as the bike has working brakes, and has not been adapted to the extent that it is no longer suitable for use on the road. The instructors will have the final say on whether your child's bike is safe for them to complete the training on but allowances will be made wherever possible.

What should my child wear to take part in Bikeability?

In most cases, your child may wear their normal school clothes, suitable for the season and weather. Excessively loose clothes may be hazardous and should be avoided. In colder months, warm layers and gloves are recommended. High visibility tabards will be provided by BikeRight.

Does my child need a cycle helmet?

Helmets must be worn on all sessions.

PRIMARY MATHS CHALLENGE (PMC)

We always endeavour to offer the opportunity of competition to our pupils. Once children reach Year 5, there is the opportunity for them to enter the Primary Mathematics Challenge. This is an exceptionally challenging National Competition. The PMC encourages enthusiasm, boosts confidence in mathematics and shows the different way questions can be asked.

SAFELY

We need everyone to play their part in
keeping the roads near schools safe.

DRIVERS SHOULD NOT:

- park on yellow zig zag markings.
 - park on double yellow lines at any time, or on single yellows during restricted hours.
 - park or drive on footpaths.
 - park within 10 metres of a junction, as this decreases visibility.
 - block driveways or dropped kerbs.
- You may be issued with a fixed penalty notice.
Thank you for your cooperation.
